Total Testing offers over 800 skills tests available over the web for \$20 per test. You'll have the ability to test as needed and billed for your usage on a monthly basis.

Jump online & test anytime!

- **A quick way to test** – because everything is online, you only need access to the internet in order to test your candidates.
- **Affordable** – we only charge for the testing you use, no other charges or set up fees. No minimums!
- **Immediate Feedback** – score reports are emailed to you within minutes of the candidate completing their test
- **Informative** – score reports include detailed information on which questions were correct or incorrect, the time spent on the question and whether it was scored as a beginner, intermediate or advanced level. You also receive an average score so that you can make a comparison with others.
- **Easy to Use** – simply log in to your account, click on the tests that you want to give to your candidates and click on Begin. Your candidate can start testing immediately and the score report is automatically emailed to you when the candidate completes their test
- **Remote Testing** – if your candidate can not come in to the office, you can easily email the test session so that they can test from home. Test scores are automatically emailed to you when they complete their test.
- **Self Service** – Jump online & test anytime. You'll have your own account with access to ALL of our tests. Simply login to your account, choose the tests you want for your candidate & they can begin testing IMMEDIATELY or you can input their email address to send a remote test session.
